

Play a board game using a dice or a game of dominoes.

Use a measuring tape or a ruler to measure different objects around the house.

Recite counting rhymes like 'One, Two, Three, Four, Five, Once I Caught a Fish Alive', 'One, Two, Buckle My Shoe' or 'Five Little Ducks'.

Go outside and find ten sticks, stones or shells. Can you order them from smallest to biggest?

Go on a shape hunt. What shapes can you find in your house?

Count and sort coins.

Build a brick tower using bricks. Can you build a tower that is taller than you?

Help an adult to measure ingredients for baking or cooking following a recipe.

Look out of the window and count how many cars, birds or people you can see.
