

Where I live

Talk about your address.
Find our street sign and read it together

Use Google Maps on a tablet and find your house and friends and families houses.

Also you could use Google Earth to find people who live far away or in another country.

Explore your house.
What does it look like?
Draw the house and your favourite things inside it.

Explore your local area. What can we do near us?

What kind of shops are nearby?
Where do our friends/family live?
