

Lets experiment!

Make a lava lamp!

Make your very own bubbling lava lamp at home.

<https://www.science-sparks.com/how-to-make-a-lava-lamp/>

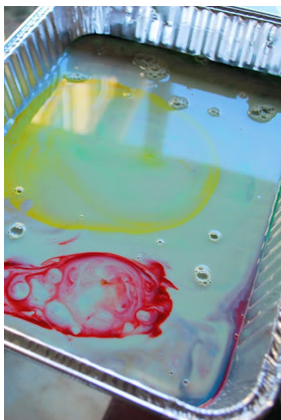

Get experimental with the things you can find outside!

Make images of yourself.

Create leaf necklaces.

Make prints or press flowers and leaves.

What else can you do?

Create bicarbonate of soda volcanoes!

Add colour and fragrant oils or essences to make a smelly colourful foaming volcano!

Try these experiments using household items
